My days fly by in black and white
The colors faded over time
My days fly by in black and white
The colors faded over time
Can you tell me why it's gone?
Can you tell me why it's gone?

I know why I've hardened over time
But I don't know how to unbind the effect of time

I've seen all color fade from life
One pigment at a time
I've seen all colors drained from our lives
One pigment at a time
Can you tell me why it's gone?
Can you tell me why it's gone?

I know why I've hardened over time
But I don't know how to unbind the effect of time
And I know this life can never be the same
And I know the ones we've lost can never be replaced
Can never be replaced

My days fly by in black and white
The colors faded over time
Well I can feel it fade away
In front of me
My days fly by in black and white
The colors faded over time
Well I can feel it fade away
In front of me

Can you tell me why it's gone?
Can you tell me why
Can you tell me why
Can you tell me why it's gone?
Can you tell me why it's gone?

I know why I've hardened over time
But I don't know how to unbind the effect of time
But I know this life can never be the same

And I know the ones we've lost can never be replaced
