Let me tell you
boy

from a good friend of mine.
He came one day and said
that his lover ran away.
Tears in his eyes sign
of many sleepless nights.
I said to him:
Hey boy
listen what I got to say.

Look out
look out

look out for another girl

boy
stop crying.
Look out
look out

look out for another girl

boy
you are not dying.

Days passed by days

and weeks passed by weeks.
Then I met him with two girls
walking in the rain.
He stopped at once
and said with a smile:
Thanks for the good tip

there's no reason to complain.

Look out
look out

look out for another girl

boy
stop crying.
Look out
look out

look out for another girl

boy
you are not dying.
