Love's like a flame
you gotta keep it alive
cause if you don't
loneliness is all you get.

Turn off the light
turn off the light, oh yeah
baby kiss me goodbye
tell me no lie, oh yeah.
You always keep me from
from movin' on
oh baby baby I need you
but I have to carry on.

Lonely lonely lonely heart
play my favorite song
lonely lonely lonely heart
dance it all night long.
Lonely lonely lonely heart
Silent tears I cry
lonely lonely lonely heart
you never asked me why.

Baby be gone
baby be gone oh yeah
baby take everything
but leave me on my own

Seems like the end has come
goodbye my love

Lonely lonely lonely heart
play my favorite song
lonely lonely lonely heart
dance it all night long.
Lonely lonely lonely heart

Silent tears I cry
lonely lonely lonely heart
you never asked me why.

Lonely lonely lonely heart...

My lonely heart
lonely heart
