With a pair of blue jeans  
I am packing my dreams  
And my bag's got a hole  
Felt you like a disease  
Baby, no one can ease  
That pain in my soul  
Don't even try, you'll lose it all  
You said lovers die when they fall  
Don't even try, you'll lose it all  
You said lovers die when they fall  
In love...

And every time I fool around  
Your face gets on my way  
And there's nothing more to say  
And I'm leaving  
And every time I go to bed  
I get no sleep at all  
And there's no one I can call  
And know I'll never fall  
In love...

Got my heart in my hands  
My cold feet never dance  
So I'm crawling to your door  
Baby I know you  
don't care about me at all  
But I'll just throw it on the floor  
I know I shouldn't try I'd lose it all  
You said lovers die when they fall  
If I ever try I'd lose it all  
You said lovers die when they fall  
In love...

And every time I fool around

Your face gets on my way  
And there's nothing more to say  
And I'm leaving  
And every time I go to bed  
I get no sleep at all  
And there's no one I can call  
And know I'll never fall  
In love...
