[Jay-Z]

Changing Faces, Jay-Z, R. Kelly

Yeah, check her

Uh huh, Changing faces

How we do

Yo, all of my rhymes fall

All of my days I trade

All of my dimes and all of my bad ways I fade

Killing late nights cruisin'

All you see is the brake lights, and hair blowin'

You know where we goin'

Or at the club in the rear frontin'

Poppin' droppin'

And E amounts some cats will wear

Ain't trying to hear nothin'

Probaby was wilder than Bobbie

Are you the Whitney to get me

Hold me down and make me slow down be be twizzy

Keep the ice out the club lights changing faces

Get a little wifey on the license plates

Wait, make me think about you even when you not
around

Use the bathroom, put the toilet seat back down

Cop you some sprinkles that hand with the wrinkles

If preferred his and her firs to the ankles

Keep your friends buggin', lovin' all my ways

Jigger, keep you jiggy

All of my days

[Changing Faces]

In the middle of the night

You got me thinking 'bout you, babe

Got me dreaming 'bout you, baby

1 - (All that I have) All that I have

(Baby, it's yours) Baby it's yours

Forever and ever, baby

2 - All I want is (All I want)
To be with you
All of my days
All I want, all I need

All I want is (All I want)
To be with you
All of my days (All I want, yeah)

Anything to turn you on
I'll be giving it to you, babe
You don't have to worry, baby

Repeat 1

Repeat 2

3 - All I want is
To be with you all of my days
(All I want, yeah, hey)

[R. Kelly]
Check it
All I want, all I need
Is you in my life
Loving me

All I want, all I need
Is you in my life (uh huh)
Loving me

[Jay-Z]
Now we going house shoppin'
Everybody wanna know the price your spouse droppin'
Keep that on the low R.Kelly style
It's quite shockin'
A year ago, all I did was spend nights hoppin'
In the club in search of pretty faces and nice stockins'
Who woulda thought I'd walk down the isle, rice
dropping
Gotchu a nice rock and
Now it's on they poppin', droppin'
Hotter than platinum bracelets
Jigger R. Kelly, Changing Faces, uh

[Changing Faces]
All I want is
To be with you all of my days
All I want, all I need

Repeat 3 until fade
