[Steve Conte]

Here you are  
Daylight Star  
Made out of miracles

Perfection of your own  
You alone  
Oh, so incredible

Each atom sings to me  
Set me free  
From chains of the physical  
Oh, free me...  
Oh, free me...

[Steve Conte, Maaya Sakamoto]

The mirror melts  
Somewhere else  
Inside eternity

Where you, on outstretched wings,  
Sing within  
The garden of everything

Where memories call to me  
Backward dreams  
Or phantom reality  
Call to me...  
They call to me...

[Steve Conte]

So here we are lovers of lost dimensions

[Maaya Sakamoto]

Itsuka  
Hi no kaze ni notte  
Haruka tooi

[Steve Conte]

Burning supernovas, of all sound and sight

[Maaya Sakamoto]

Anata no moto he

[Steve Conte]

Every touch, a temptation

[Maaya Sakamoto]  
Itsuka sora no hitotsu ni tsunagaru  
Watatte yukeru  
[Steve Conte]  
And for every sense, a sensation  
[Maaya Sakamoto]  
Anata no moto he

[Steve Conte]  
Eyes of pure  
Deep azure  
Quite unbelievable

The sun's daughter, you've been made  
Not to fade  
Quite inconceivable

Each atom sings to me  
Set me free  
From chains of the physical  
Oh, free me...  
Oh, free me...

[Steve Conte, Maaya Sakamoto]  
A love like ours  
A starry flower  
Through seasons and centuries

As rivers reach the sea  
You reach me  
With songs of your symmetry

A small boat, there will float  
To far off coasts  
The Isle of Infinity

Come with me...Come with me...  
Come with me...

Here we'll see  
Love's lost tree  
Made out of miracles  
Emotions, crystal leaves  
To cover me,  
And you in eternity

Each atom sings to us  
Through the blood  
Love is a miracle  
Sing softly...Sing softly...  
Sing softly...

[Steve Conte]  
So here we are lovers of lost dimensions  
[Maaya Sakamoto]  
Itsuka  
Hi no kaze ni notte  
Haruka tooi  
[Steve Conte]  
Burning supernovas, of all sound and sight  
[Maaya Sakamoto]  
Anata no moto he  
[Steve Conte]  
Every touch, a temptation  
[Maaya Sakamoto]  
Itsuka sora no hitotsu ni tsunagaru  
Watattheyukeru  
[Steve Conte]  
And for every sense, a sensation  
[Maaya Sakamoto]  
Anata no moto he

[Steve Conte]  
So here we are twin stars, brilliant brightness  
[Maaya Sakamoto]  
Itsuka  
Hi no kaze ni notte  
Haruka tooi  
[Steve Conte]  
Lanterns lit by life for all the depths of night  
[Maaya Sakamoto]  
Anata no moto he  
[Steve Conte]  
And every day will return us  
[Maaya Sakamoto]  
Itsuka sora no hitotsu ni tsunagaru  
Watattheyukeru  
[Steve Conte]  
To arms of the ever Eternal  
[Maaya Sakamoto]  
Anata no moto he

[Steve Conte]  
So here we are, so far from earthly orbits  
[Maaya Sakamoto]  
Itsuka  
Hi no kaze ni notte  
Haruka tooi  
So here we are  
[Steve Conte]  
Burning supernovas, of all sound and sight  
[Maaya Sakamoto]

Anata no moto he  
[Steve Conte]  
Where every day will return us  
[Maaya Sakamoto]  
Itsuka sora no hitotsu ni tsunagaru  
Watatheyukeru  
[Steve Conte]  
To arms of the ever Eternal  
[Maaya Sakamoto]  
Anata no moto he

[Steve Conte]  
Here we are...  
[Maaya Sakamoto]  
Here we are...

[Steve Conte, Maaya Sakamoto]  
Lovers of lost dimensions

[Steve Conte]  
Where every day will return us  
To arms of the ever [+Maaya Sakamoto] Eternal...
