Told myself for a long time  
don't go there  
you will only be sorry  
Told myself so many times  
I just had to take a look  
in those faraway eyes..

In them I saw a longing  
for something  
Maybe I couldn't give you  
Said it's all in my mind  
"It ain't nothing"

Don't say that  
Don't say that  
darling no  
Don't say anything at all  
Because I've seen it now  
Can't pretend anymore  
"It ain't nothing"

**\*Chorus\***

Do you know what I mean?  
And have you seen it too?  
Do you know what I mean?  
Do you know?  
And I'll do anything  
just tell me what it means  
Cause I can't live in doubt anymore  
Do we try or should we  
just say goodbye

If you'd rather be somewhere  
that's not here  
then you just gotta tell me  
Cause there's so much more to life, than pretending

Don't you know  
Don't you know  
darling for you  
I'd do anything at all  
I wanna be with you

but that look in your eyes  
tells me something

\*Chorus repeat\*

I wanna know  
can you tell me  
I wanna know  
will you tell me  
is it hello  
is it good bye

I gotta know  
won't you tell me  
I gotta know  
you can tell me  
is it hello  
or just goodbye

I gotta know  
can you tell me  
I gotta know  
will you tell me  
is it hello  
is it goodbye

I gotta know  
won't you tell me  
I gotta know  
You can tell me  
is it hello  
is it goodbye
