Rain seeping into my shoes today  
I'd take a cab but I couldn't pay  
Stopping for coffee along the way  
Umbrella sprays  
I'm digging for change

Leadbelly playing a song  
I long to sing  
He's saying try to be strong  
Just feels so far from  
Who I want to be

I've got a song  
And it screams in my heart  
The crystal glass is breaking apart  
I tell myself it's a path I chose  
Knocking on doors  
That wanna stay closed

Leadbelly playing a song  
I long to sing  
He's saying try to be strong  
Just feels so far from  
Who I wanna be

When did these dreams go  
And grow so tall  
They got so big  
And I feel so small  
I'm giving everything I've got  
But all I can see is all that I'm not

Leadbelly playin a song  
I long to sing  
He's saying try to be strong  
Just feels so far from

Who I wanna...

Leadbelly playin a song

I long to sing

He's saying try to be strong

Just feels so far from

Who I wanna...

I feel so far from who I wanna...

I feel so far from who I wanna be
