"April Fool"

I'm quitting after one more last one
Tired of playin the clown
If I want your opinion I'll ask you
I can get myself down
Night drivin without headlights
Wearing sunglasses too
Lookin good but sure don't feel right
Anything to be cool
Doin hopscotch with my legs tied
Jumpin rope in wet cement
Black leather in mid day sunshine
All your mother's money spent
Doin time on the metal detector
Like to drown in your pool
Coverin up everything that's defective
Anything to be cool
A burning heart could be so cool
Won't you be my fashion victim
Come on I'm an April fool for you
Holdin on to what's left of real life
Anything to be cool

Anything to be cool....

A burnin heart, like an April fool

Won't you be my fashion victim

Come on I'm your April fool

I'm a mid-spring snowfall

Joke's on you

I'm an April fool for you
