"Lies Of Hate"

You make me fall from, lies of hate

You make these walls from, lines of a face

Nobody's watching so why do you act like a fake

You make me crawl from, lies of hate

You wake me up from, the lines that seperate

And when you shine ...

I know how to find out about

How to get out of it

How to get out of these chains

How to get out of it, how to get out of it

How to get out of this place

You make me fall from, lies of hate

And when you shine

I know how to find out about

How to get out of it

How to get out of this chase

How to find out about, how to get out of it

How to get out of your space

How to get out of it, how to get out of it

How to get out of this place

How to find out about

How to go out without

Living the lies of hate
