Call you up in the middle of the night

Like a firefly without a light

You were there like a slow torch burning

I was a key that could use a little turning

So tired that I couldn't even sleep

So many secrets I couldn't keep

Promised myself I wouldn't weep

One more promise I couldn't keep

It seems no one can help me now

I'm in too deep

There's no way out

This time I have really led myself astray

CHORUS

Runaway train never going back

Wrong way on a one way track

Seems like I should be getting somewhere

Somehow I'm neither here no there

Can you help me remember how to smile

Make it somehow all seem worthwhile

How on earth did I get so jaded

Life's mystery seems so faded

I can go where no one else can go

I know what no one else knows

Here I am just drownin' in the rain

With a ticket for a runaway train

Everything is cut and dry

Day and night, earth and sky

Somehow I just don't believe it

CHORUS

Bought a ticket for a runaway train

Like a madman laughin' at the rain

Little out of touch, little insane

Just easier than dealing with the pain

Runaway train never comin' back

Runaway train tearin' up the track

Runaway train burnin' in my veins

Runaway but it always seems the same
