What are you doing here in my nightmare?

Stepping back into the stupidity gets me nowhere

Look at you now - You look like an angel in hell

Look at you now - Drown in your wishing well

Look at you now - All those stories and there's no one to tell

Look at you now

Do you think you can find a place for your dreams in my nightmares?

And you're tied to the tracks but the train broke down

Wake me up and let me go from somebody I used to know

From somewhere in my nightmare.

Don't you remember the years we got nowhere?

Look at you now - You look like an angel in hell

Look at you now - Drown in your wishing well

Look at you now - All those stories and there's no one to tell

Look at you now

Do you think you can find a place for your dreams in my nightmares?

And you're playing with a different joker, but there's always one more sucker

And you're tied to the tracks but the train broke down

Trapped at the top of the merry-go-round

But it won't let you down.

Look at you now - You look like an angel in hell

Look at you now - Drown in your wishing well

Look at you now - All those stories and there's no one  
to tell

Look at you now

Do you think you can find a place for my dreams
