Klisti strofi me petakse
Fanari o hronos m' epiase
Ston topo pu pigename mazi

Ego ke si ke t' agnosto
Sta matia su to adiavasto
Ma kathe skepsi meni panta eki
Konta su, makria su, skia su

Ki an me stelnis
Doro sti siopi
Ke mu pernis
Osa mu he's pi
Gia mena ise I kardia
Pu pano mu htipa
Horis na me rotai
Ki as ponai

Thimithika pu vgename
Horis skopo ke thelame
Na vrume ti diki mas ti hara

Hara pu esi tin eftiakses
Ton kosmo mu otan epsakses
Hara pu ihe I proti agalia
Mazi su, makria su, skia su

Ksimerose ki akoma zo
Anarotieme pos mporo
Kратиeme apo tin skepsi su
Makria su
