Go to the M K
And Ashley

They had a challenge
To go on holiday in the sun
First they had a minute to get to New York
But when were they in Rome
They had a passport to Paris
But there lips were sealed
When they were winning London
And they were getting there

They are two of a kind
Who have so little time
They are Mary-Kate (Eaea)
And Ashley
Oh yeah
Oooh Oooh Ooooooooooh

Thank you New York City!!
Mary-Kate and Ashley!!

Wooh
