Des pos ine I zoi, ola ipervoli
Tipota aplo, tipota ftino
Oli prospathun, na hamogelun

Na akoluthun, moni de mporun
Niothun dinati, hanun ti stigmati
Tipota de zun, to avrio kitun

Se rolus pseftikus giati na zo
To apiasto oniro na kinigo

Thelo na ziso ksana
San ta mikra ta pedia
To s' agapo na pistepso
Kathe stigmati na latrevo

Ena taksidi trelo
Piso sto hrono na mpo
Na zografiso tis skepsis
Na nioso ikones ke leksis

Niothume mikri otan mia stigmati
To simera kitun, to hthes anapolun
Ise dinatos, ise alithinos

Zis kathe stigmati dihos enohi
Fige makria petakse psila
Ase ena fili, na ne oli I zoi

Se rolus...
