Flames  
Rage from above  
Untamed  
The ground shake below  
Set the earth on fire  
Set the earth on fire  
Leave behind yesterday  
Look ahead far away  
Dive into a sea of tears  
99 the worst of years  
Crazed  
Prophet of despair  
Amazed  
Truth in his words  
Set the earth on fire  
Set the earth on fire  
Leave behind yesterday  
Look ahead far away  
Dive into a sea of tears  
99 the worst of years  
Flames  
Rage in his eyes  
Untamed  
Visions in his mind  
Set the earth on fire  
Set the earth on fire  
Leave behind yesterday  
Look ahead far away  
Dive into a sea of tears  
99 the worst of years
