I'm gonna drive my motorbike to heaven
I'm gonna slice a lemon in two and when the charcoal's
burning bright
We'll be there in heaven
I'm gonna fly my motorbike to you, I don't know why

But I've got a good idea, that we'll meet again some
day
It makes me cry, there's a memory of you standing in
the woods
And then they sigh
'Cause they've got a good idea that my hair is full of
ferns

I'm gonna shine my hair in blooms because my mind is
full of you
I think I'm gonna dust my room 'cause there's a notice
in my head
I'm gonna shine my bike instead 'cause that's what the
notice said

I'm gonna drive my motorbike to heaven

burning bright
We'll be there in heaven
I'm gonna fly my motorbike to you, I don't know why

But I've got a good idea that we'll meet again some
day
It makes me cry, you're standing on a yacht
And I don't know what to say, I dreamt last night
We were playing kiss and tell, then I watched you fly
away

Well there's a diamond in my car and it's shining like a
star
I feel I'm coming home to you 'cause there's a
message in my soup
And it could be like yesterday, I wish you had never
gone away

I don't know why but I've got a good idea, that we'll

meet again some day
It makes me cry, there's a memory of you standing in
the woods
And then they sigh 'cause they've got a good idea
That my hair is full of ferns

I'm gonna shine my hair in blooms 'cause my mind is
full of you
I think I'm gonna dust my room 'cause there's a notice
