Space looks
good today
It doesn't
really change
Looking up
from 5th street
The moon's
within your range
Space looks
good today
Take us
for a ride
I can see
the big apple
And it's
50 wings wide
Wolves over
Washington
Fly with
me tonight
The streets of
New York want you
Fly with
me tonight
Space looks
good today
It's a jester
ride on the giant slide
Is that a manicure
or do they just grow that way ?
Space looks
good today
A card game
on the way
Our glasses
reflect everything
When's the
big day ?
Wolves over
Washington
Fly with
me tonight

The streets of
New York want you
Fly with
me tonight
Wolves over

Washington
Fly with
me tonight
The streets of
New York want you
Fly with
me tonight
Space looks
good today
I'm glad
we're on our way
If we get
there really quick
We can
call ourselves
Aerodynamic
Wolves over
Washington
Fly with
me tonight
The streets of
New York want you
Fly with
me tonight
The sky's
our terminal
Hit the
mission abort button
Coitus
interruptus
Tried to leave
the world free spinning
Someone
surely stopped us
Wait a
day
Second
engine is OK
Here we
go again
One more
delay
Couldn't
think what to say
This is

no test
We've
been told
