Get a boy  
with a toy  
He'll never  
cease to amaze you  
And every time  
he makes you smile  
He'll never  
cease to please you  
So get a  
boy as a toy  
He'll never  
cease to amaze you  
And every time  
he makes you smile  
He'll never  
cease to please you  
And when he leaves  
you having pleased you  
He'll never  
cease to move you  
Now when he  
calls at your door  
He'll never  
cease to lose you  
He was  
written by a man  
Come and  
get it if you can  
He was  
written by a man  
On the side of a  
far grand grander plan  
He was  
written by a man  
Come and  
get it if you can  
If you wanna  
play then play it safe  
Into his hand  
of this man and his plan  
Get a boy  
plus a toy

He'll never  
cease to amaze you  
And when he  
smiles he takes his time  
He'll never  
cease to please you  
And when he leaves

you having pleased you  
He'll never  
cease to move you  
Now all the  
time he gets annoyed  
Find someone  
who loves you  
So never  
mind if you find that  
He's  
walked out on you  
Now when he  
calls at your door  
He'll never  
cease to lose you  
He was  
written by a man  
Come and  
get it if you can  
He was  
written by a man  
On the side of a  
far grand grander plan  
He was  
written by a man  
Come and  
get it if you can  
On a count of  
eight let's participate  
With this  
man and his plan  
He was  
written by a man  
Come and  
get it if you can  
He was  
written by a man  
On the side of a  
far grand grander plan  
He was  
written by a man  
Come and  
get it if you can

If you wanna  
play then play it safe  
Into his hand  
of this man and his plan
