I.

Thinking when you and me  
Walking on the school corridor  
Laughter and tears we've shared  
Truly binded us to the core

Refrain:

Here we are there's no way out  
It's time to say

Chorus:

My friends there's no turning back  
Are you ready to move and go? (move and go...)  
These memories have no rewind  
So till we see tomorrow (tomorrow...)

II.

Last word shouldn't be goodbye  
Gonna see you and say "oh hi"  
Our closeness that I will miss  
Really high school life is for keeps

Refrain:

Here we are there's no way out  
It's time to say

Chorus:

My friends there's no turning back  
Are you ready to move and go? (move and go...)  
These memories have no rewind  
So till we see tomorrow (tomorrow...)

Bridge:

Catch your caps and let's fight  
Friendship won't end, hold on tight

Oh... oh...

Oh... oh...

My friends there's no turning back  
Are you ready to move and go?

Chorus:

My friends there's no turning back  
Are you ready to move and go? (move and go...)  
These memories have no rewind  
So till we see tomorrow (tomorrow...)

My friends there's no turning back  
Are you ready to move and go? (move and go...)  
These memories have no rewind  
So till we see tomorrow (tomorrow...)

Thinking when you and me  
Walking on the school corridor...
