I'm holding on, waiting for your call  
It's simple but I can't explain this  
I'm sinking down, I feel like I could die  
I'm falling off, I don't know why

I still believe it when you say  
"It's another perfect day  
Another perfect day"  
I still believe it when you say  
"It's another perfect day  
Another perfect day"

So I might try to leave it all behind  
I know tomorrow's not so bright now  
I'll say, "Goodbye" 'cause nothing good can last  
You wear and figure no where fast

When today I don't know how?  
To keep it all inside  
So I guess I'll let it slide

I still believe it when you say  
"It's another perfect day  
Another perfect day"  
I still believe it when you say  
"It's another perfect day  
Another perfect day"

Today I don't know why?  
I thought that it was real  
But I guess it's no big deal

I still believe it when you say  
"It's another perfect day  
Another perfect day"  
I still believe it when you say  
"It's another perfect day  
Another perfect day"

I don't know how  
I don't know how  
I don't know how

To let it slide
