I'm holdin on
waitin for your call
it's simple but I can't explain this

I'm sinking down
I feel like I could die
I'm falling off
I don't know why

I still believe it when you say,
It's another perfect day
another perfect day.
I still believe it when you say,
It's another perfect day
another perfect day.

So I might try
to leave it all behind
I know tomorrow's not so bright now

I'll say goodbye
cause nothing good can last
you wear and fade,
you're no where fast
but today
I don't know how
to keep it all inside
but I guess I'll let it slide.

I still believe it when you say,
It's another perfect day
another perfect day.
I still believe it when you say,
It's another perfect day
another perfect day.

Today, I don't know why
I thought that it was real
but I guess it's no big deal

I still believe it when you say,

It's another perfect day
another perfect day.
I still believe it when you say,
It's another perfect day
another perfect day.

I don't know how
I don't know how
I don't know how
to let it slide...
