Hey luv, are you leavin here
Hey luv, why you leavin

We, we met in the summer time
and we was good
as good as good can get

Now there's no more waiting
it all comes back, it all comes back
shes so laid back

Theres no more waiting
it all comes back, it all comes back
i got this letter,
and it said

(chorus)
Hey luv, i am leavin here
i threw all your things
In a box and a bag

Hey luv, we just started here
How do u end it all
In just a paragraph
in just a paragraph

We should have met in the winter time
Cause things stay so good
The colder that it gets

Now theres no more waiting
it all comes back, it all comes back
shes so laid back
theres no more waiting, it all comes back
i got this letter
and it said

Repeat chorus

Oh, theres no more waiting, theres no more waiting
cuz everytime i think about all the things that i have

done
i open the box and read your letter
and everytime i think about all the things i don't
understand
I don't understand, I don't understand

Hey luv, i am leavin here
I threw all your things in a box and a bag
hey luv, we just started here
How do you end it all in just a paragraph
In just a paragraph (hey luv, why you leavin here?)
