Got nothing to loose this time and I'm bored with the  
same old lines

I never know what to do or what to say to you

One look and you'll knock me out

You put me on the floor with a ten count

I don't wanna make a scene, I gotta make you see

That I've been waiting for a girl like you

And I know there's nothin' I could do

Don't wanna make you hurt

Don't wanna make you feel

Like the world ain't on your side

Like you're never gonna get it right

No I can't fight, I can't sleep at night

Just thinkin' about you girl

I'm a fool for you, yes I am

You've been on my mind since I saw you walkin' by

I knew, I had to know you better you were everything

But I didn't know what to say so you just walked away

I couldn't believe what a fool I was to let you go

'Cause that I've been waiting for a girl like you

And I know there's nothin' I could do

Don't wanna make you hurt

Don't wanna make you feel

Like the world ain't on your side

Like you're never gonna get it right

No I can't fight, I can't sleep at night

Just thinkin' about you girl

I'm a fool for you, yes I am

Then I saw you at the beach, talkin' with my friends

I couldn't believe my eyes, it was my lucky day

So I just asked you out to the forum to see no doubt

When you said you would go, I thought I might explode

'Cause that I've been waiting for a girl like you

And I know there's nothin' I could do

Don't wanna make you hurt  
Don't wanna make you feel  
Like the world ain't on your side  
Like you're never gonna get it right  
No I can't fight, I can't sleep at night  
Just thinkin' about you girl  
I'm a fool

Don't wanna make you hurt  
Don't wanna make you feel  
Like the world ain't on your side  
No I can't fight, I can't sleep at night  
Just thinkin' about you girl  
I'm a fool for you, yes I am  
Yes I am  
I am a fool for you  
Yes I am, I am
