I'm no good  
I feel too small  
Something's gonna burn  
Sink on you  
Drunken highways  
Someone take the wheel

Faded in the blackout you left me in  
It's safer on the outside  
I'm swimming in  
This kerosene it's hard to breathe  
Statics got me down

I can't sleep  
I'm disconnected  
Everything went wrong  
And certain stars  
Are sad and bruised like  
Someone's cheating heart

Faded in the blackout you left me in  
It's safer on the outside  
I'm swimming in  
This kerosene it's hard to breathe  
Statics got me down

Faded in the blackout you left me in  
It's safer on the outside  
I'm swimming in  
This kerosene it's hard to breathe  
Statics got me down

Faded in the blackout you left me in  
It's safer on the outside  
I'm swimming in  
This kerosene it's hard to breathe  
Statics got me down

Got me down, got me down, got me down  
It's safer on the outside, it's safer on the outside  
It's safer on the outside
