I will begin again
Don't know how and don't know when
Something's gotta give

So far I fall from grace
Taking all the breathing space
Won't you let me in?

There's beauty in the sound
Butterflies go underground
On a busy sea

Still floating in the dark
Waiting for a tiny spark
Lucky to be free

I wanna hear you say it's all
I wanna hear you say
I wanna hear you say it's all
I wanna hear you say

I wanna hear you say it's all
I wanna hear you say
I wanna hear you say it's all
I wanna hear you say, baby, it's alright
