It don't mean nothing
When you say it's gonna be alright
'Cause you'll tell me anything I wanna hear

And it don't mean nothing
When you laugh at my jokes
'Cause it's all or nothing when I fall apart

Fade, fade
Fade into you

You're under my skin now
I could shut out the world that we know
I'll try to be everything you want me to be

And I've got a head start
But I'm making the same mistakes
'Cause it's all or nothing when I fall apart

Fade, fade
Fade into you

Caught in the rush of the crowd
Lost in a wall of sound
You were ringing in my ear

Caught in the rush of the crowd
Lost in a wall of sound
You were ringing in my ear, my ear

Fade, fade
Fade, fade

Caught in the rush of the crowd
Lost in a wall of sound
You were ringing in my ear

Caught in the rush of the crowd
Lost in a wall of sound
You were ringing in my ear

Caught in the rush of the crowd

Lost in a wall of sound
You were ringing in my ear
