

American Hi-Fi "What About Today"

Visit "[What About Today](#)" on MotoLyrics.com

It's getting hard
But you don't even know
Maybe you can't see
I'm getting tired
I've been still
I'll panic on

Hearts are sinkin' blind
Yeah, well you don't even know
All you gotta do
Just stop and ask me
Silver, chrome and steal
Set the tone and set me out
It's everything you want
Complete the failure

No more to say
What about today
What's really goin' on
And between the blind
And blood shot eyes
I'd thought I'd see my way
See my way

Hearts are sinkin' blind
Yeah, well you don't even know
All you gotta do
Just stop and ask me
Silver, chrome and steal
Set the tone and set me out
It's everything you want
Complete the failure

Yeah, you're gettin' awfully close
Yeah, you're gettin' awfully close

Hearts are sinkin' blind
Yeah, well you don't even know
All you gotta do
Just stop and ask me
Silver, chrome and steal
Set the tone and set me out

It's everything you want
Complete the failure
Complete the failure
Complete the failure
