"Thank You"

I got to go, I got to go. Got nothing more to say x2

I just want to thank you all for listening
Want to thank you all for listening
And I hope we all can get back again
Hope we all can get together soon again

I got to go, I got to go. Got nothing more to show x2

But I just want to thank you all for listening
Want to thank you all for listening
And I hope we all can get back again
Hope we all can get together soon again

I got to go, I got to go. Got nothing more to say x2

But I just want to thank you all for listening
And I just want to thank you all for listening
And I hope we all can get back again
Hope that we could get together soon again
