I cast aside my chains  
Fall from reality  
Purgatory unleashed  
Now burn the face of the earth  
Purgatory unleashed  
Now burn the face of the earth  
The face of all your fears  
All of your dreams unleashed  
The face of all your fears  
Born of the demon sky  
Twisting reality  
Sweet nauseating pain  
Is death the only release?  
Nauseating pain  
Is death the only release?  
I cast aside my chains  
Fall from reality  
Suicidal diseases  
The face of all your fears  
Now covered with scars  
Humanity exiled  
Purgatory unleashed  
Now burn the face of the earth  
Purgatory unleashed  
Now burn the face of the earth
