And I'm troubled with (These Thoughts)  
But they don't seem to fit,  
And the Silence is Awkward.  
(This seems to be it)  
It was nice while I (Knew you)  
Now I'll Go on my way.  
Grow up and get married ( Find other things to say)  
To make up for this one day.  
To make up for this one day.  
I bet that she'd know what to say...  
I bet that she'd Know what to...

And my future lovers will know that they're pretty,  
Maybe even more than you'll ever be to me!  
And I'm not one to complain but today,  
I bet she'd know what to say!

Tumbling through the (Covers)  
Like we were real (Lovers)  
But we both know it's pretend,  
And with sheets on the floor,  
And a closed and locked door,  
I know this is the end.  
And with sheets on the floor!  
And a closed and locked door!  
I know this is the end!

I bet that she'd know what to say...  
I bet that she'd know what to say...

And my future lovers will know that they're pretty,  
Maybe even more than you'll ever be to me!  
And I'm not one to complain but today,  
I bet she'd know what to say!

I know you think you're always right,  
But you're not right this time,  
And I'm not one to complain,  
But today I bet she'd know what to say,

You constantly say,

That you're going to change,  
But how can you change,  
If you always stay the same,

YOU JUST DON'T GET IT!  
YOU'RE SO WRAPPED UP INSIDE YOURSELF!  
I'LL NEVER NEED YOUR HELP!  
I'm OFF WITH SOMEONE ELSE!
