We may still have time  
We might still get by  
Every time I think about it I want to cry  
With the bombs and the devils  
And the kids keep coming  
Nowhere to breathe easy... no time to be young  
But I tell myself that I'm doing alright  
There's nothing left to do tonight but go crazy on you

My love is the evening breeze touching your skin  
The gentle sweet singing of leaves in the wind  
The whisper that calls, after you in the night

And kisses your ear in the early light  
You don't need to wonder, you're doing fine  
And my love, the pleasure's mine  
Let me go crazy on you

Wild man's world is crying in pain  
What're you going to do?  
I was a willow last night in my dream  
I bent down over a clear running stream  
I sang you the song that I heard up above  
And you keep me alive with your sweet, flowing love
