Hey, man, wake up there's a full moon shining
Hey, man, too long we've been sleeping
What is it we're really feeling?

Oh, I can feel the mandala
Oh, Lord, I can feel the mandala
Oh Lord, I can feel the mandala
Holding you, holding me

Hey, man, I can hear a beautiful thunder
Hey, man, my heart is beating
Letting in the wonder

Oh, I can feel the mandala
Oh, Lord, I can feel the mandala
Oh Lord, I can feel the mandala
Holding you, holding me

Hey, man, wake up there's a full moon shining
Hey, man, too long we've been sleeping
What is it we're really feeling?

Oh, I can feel the mandala
Oh, Lord, I can feel the mandala
Oh Lord, I can feel the mandala

Oh Lord, I can feel the mandala
Oh Lord, I can feel the mandala
Oh Lord, I can feel the mandala
