

Ataris, The "I'll Remember You"

Woke up to the sound of pouring rain,
The wind would whisper and I'd think of you.
And all the tears you cried, that called my name.
And when you needed me I came through.

I paint a picture of the days gone by,
When love went blind and you would make me see.
I'd stare a lifetime into your eyes.
So that I knew that you were there for me,
Time after time, you were there for me.

Remember yesterday, walking hand in hand.
Love letters in the sand, I'll remember you.
Through the sleepless nights, through every endless
day,
I'd wanna hear you say, I'll remember you.

We spent the summer with the top rolled down,
Wished ever after would be like this.
