This is a very sensitive subject...

From the moment I heard Frau say I had a clone
I knew that I'd be safe cause I'd never be alone
An evil doctor shouldn't speak a lot about his feelings
My hurt and my pain don't make me too appealing
I hoped Scott would look up to me
And run the business of the family
Have an evil empire, just like his dear old dad
Give him my love and the things I never had
Scott would think I was a cool guy
Return the love I have, make me want to cry
Be evil, but hide my feelings too
Change my life with Oprah and Maya Angelou
But Scott rejected me, C'est La Vie
Life is cruel, treats you unfairly
Even so, a God there must be
Mini Me, you complete me.

Just the two of us
We can make it if we try
Just the two of us
Just me and you, just me and you
Just the two of us
Building castles in the sky
Just the two of us
You and I.

Just the two of us...
Daddy loves you,
Daddy loves you.

Just the two of us,
you and I.
