

## Ataris, The "Pure Imagination"

Come with me  
And we'll be  
In a world of Pure Imagination

Take a look and you'll see  
Into your imagination  
We'll begin with a spin  
Traveling in a world of my creation

And you'll see  
We'll defy explanation

If you want to view paradise,  
Simply look around and view it  
Anything you want, just do it  
Wanna change the world?  
There's nothing to it

There is no life  
I know  
To compare with Pure Imagintation

Living there, you'll be free  
If you truely wish to be

If you want to view paradise,  
Simply look around and view it  
Anything you want, just do it  
Wanna change the world?  
There's nothing to it

There is no life  
I know  
To compare with Pure Imagintation

Living there, you'll be free  
If you truely wish to be
