Last night I had a dream that we went to Disneyland,
Went on all the rides, didn't have to wait in line.
I drove you to your house where we stared up at the
stars
I listened to your heartbeat as I held you in my arms.
We hung out at the rainbow where we drank til' half
past two.
Nothing could go wrong anytime that I'm with you.
Like crashing a hotel room or leading up to that first
kiss
Or searching for a high school that you know doesn't
exist...

Chorus:

These are the things that make me free
I feel like I'm stuck in
