Hey you don't just walk away
'Cause I could be the one
Let me see who you really are
And I'll show you who you can be

I see so many people in this world
Who want to be somebody else

I'm the way that I am and so
I'm the best that I can
No compromises and I don't compare
How I am
I'm the way that I am

Hey you stop ignoring me
Oh ignore your jealousy
Why can't you be happy for me
'Cause I'm really happy for you

I see so many people in this world
Who want to be somebody else

I'm the way that I am and so
I'm the best that I can
No compromises and I don't compare
How I am
I'm the way that I am

I'm the way that I am and so
I'm the best that I can
No compromises and I don't compare
How I am
I'm the way that I am

Wake up please and open up your eyes
And start loving yourself
For what you are
'Cause you are beautiful

I'm the way that I am and so
I'm the best that I can

No compromises and I don't compare
How I am
I'm the way that I am

I'm the way that I am and so
I'm the best that I can
No compromises and I don't compare
How I am
I'm the way that I am
