Our love is deep as the ocean
I wished for you on a star
You make me feel I'm in heaven
It's just the way that you are

Oh woah oh woah oh woah oh woah
Oh woah oh woah oh woah oh woah

Under a Latin moon
I'll be dancing all night with you
Beneath the blanket of shining stars
I'll spend forever in your arms

Under a Latin moon
I'll be dancing all night with you
Beneath the blanket of shining stars
I'll spend forever in your arms

Let's take a walk by the ocean
Bare feet on the shore
Cause I've been waiting for so long
And I can't wait anymore

Oh woah oh woah oh woah oh woah
Oh woah oh woah oh woah oh woah

Under a Latin moon
I'll be dancing all night with you
Beneath the blanket of shining stars
I'll spend forever in your arms

Under a Latin moon
I'll be dancing all night with you
Beneath the blanket of shining stars
I'll spend forever in your arms

Under a Latin moon

I'll be dancing all night with you
Beneath the blanket of shining stars
I'll spend forever in your arms

Oh woah oh woah oh woah oh woah
Oh woah oh woah oh woah oh woah
Oh woah oh woah oh woah oh woah
