Hook:

I just need a beat to rock to,  
Get it poppin every time I walk through,  
When I hit the floor, middle of the ring like a matador,  
Moves like you ain't ever seen before  
Then I glide to the side and I'm out the door

I just need a beat to rock to,  
Get it poppin every time I walk through,  
When I hit the floor, middle of the ring like a matador,  
Moves like you ain't ever seen before  
Then I glide to the side and I'm out the door

Verse 1:

Sweet Feet, I'm Splooshin' wit it, Zero Holes in my  
technique,  
I know they dig it. I'm Leonardo, Catch Me If You Can  
You are Tom Hanks on the ground while I'm flyin Pan  
Am and,  
You'll have to wait till I land cause this beat has got me  
lifted like Mount Fuji in Japan,  
And I don't speak their language, but my body do,  
rockin slick kicks, that's Karate foo  
Ooh, Roger that, movin quicker than a Rabbit ponder  
that, and they Framin me too,  
Matter fact, they keep pointin their cameras where I'm  
at.  
I see em flashin, I am action packed, and I also make  
em laugh, Jackie Chan  
Oh, what a combo, I'm a storm on the floor get a  
poncho, fancy footwork Ronaldo,  
So clean so sharp get ya lawn mowed, stay original  
maybe borrow,  
Some moves from M.J. "sorry bro, every move that ya  
got is a pot of gold",  
And the only thing I know is

Hook:

I just need a beat to rock to,  
Get it poppin every time I walk through,  
When I hit the floor, middle of the ring like a matador,

Moves like you ain't ever seen before  
Then I glide to the side and I'm out the door

I just need a beat to rock to,  
Get it poppin every time I walk through,  
When I hit the floor, middle of the ring like a matador,  
Moves like you ain't ever seen before  
Then I glide to the side and I'm out the door

Verse 2:

It's gettin late, gonna go another round but I gotta  
hydrate,  
Throw back a Powerade, so cold so great then I'm back  
in the game,  
Kujo White Fang, we the same, I make the moonlight  
my domain and get deranged  
Orion's Belt on my waist, light it up when I swang,  
skinny tie let it hang,  
That is just my taste I, don't be wearin a chain, cause it  
gets in my way  
When I break it down there's no fakin how I slide  
smoother than suede  
I can't help it if I'm such a fly dude, I'm just emulating  
Elvis cause my Shoes are Suede too  
And both are Blue, so please lay off em, no mask on  
my face and I don't wear a cape  
But I rule the room like Gotham, yes. I'm a Knight in the  
Dark, a spark in the night,  
Electric wit it, Static Shock I'm like boom, zoom zoom  
zoom,  
Got a case of the Zumiez denim stickin to my legs like  
Elmers Glue
