"Bathe"

At least we spent some time together
I think we could have shared a life
And I know why you buy
If only you could see me now
You'd bathe in my misfortune
You'd bathe in my misfortune

And all I said was that it was rather sick
Sometimes it's the only thing I've got
The only thing I've got

For one caught up in worldly pleasures
I think I'm still burning bright
I picked it up when you ran
If only you could see me now
You'd share in my misfortune
You'd share in my misfortune

And all I said was that it was rather sick
Sometimes it's the only thing I've got
The only thing I've got

And if I thought that it would bring you pleasure
I'd throw it all over the side
I'd kick myself to death if
I really thought that you would mind
And give you my misfortune
