There is no room in your life for love (x2)

Lozano:

To breathe  
Proves that you're alive  
To love  
Makes your life worthwhile

You hide  
In the shade of your denial  
You fight  
Against core human drive

It's driving me insane  
How you spend your life in vain  
You've locked yourself away  
It's time for you to liberate

Chorus:

Breathe in Love  
Lifts you up into the sky  
I will teach you how to fly

Breathe in, breathe in Love  
Love will turn you inside out  
Breathe in, breathe in Love

LCV:

Imma pilot, you're my plane  
With you I want to fly away  
Through turbulence and bad weather  
We will stay, stay together  
Sure, some day rough patch we'll hit  
But we'll land on our feet  
We don't need no navigation  
We can fly in all directions

Breathe in Love

We can fly away

Chorus:

Breathe in Love  
Lifts you up into the sky  
I will teach you how to fly

Breathe in, breathe in Love,  
Love will turn you inside out  
Breathe in, breathe in Love
