This is your boy qwote
And my man lucenzo
On your side mr. worldwide himself
(Mr. worldwide)

Let's go, let's go, let's go, let's go, let's go,

Throw it up in the air
Shake it like you don't care
Sexy, turn it around
Baby, do that kuduro

Don't even fight it, try to deny it
Let the beat take you over
Let ya hair go, drop it below
Right now girl nothing matters
Whining and spinning all the way around
Shorty let me see ya get get down
Up up I go, a couple more shots
Sexy let me see ya go do-do now

Throw it up in the air
Shake it like you don't care
Sexy, turn it around
Baby, do that kuduro
Let me see you get down

[Lucenzo]
Oi, oi, oi, oi, oi, oi, oi...
Vem para quebrar kuduro, vamos dançar kuduro
Oi, oi, oi, oi, oi, oi, oi...
Seja morena ou loira, vem balançar kuduro
Oi, oi, oi...

Girl just go crazy
Back it up on me
Grind it like a private dancer
Baby go fast, now slow down
Working like a part-time lover
Whining and spinning all the way around
Shorty let me see ya get get down,

Up up I go,
A couple more shots
Sexy let me see ya go do-do now.

Throw it up in the air
Shake it like you don't care
Sexy, turn it around
Baby, do that kuduro
Let me see you get down

Pitbull
(Spanish verses)

One life, two worlds
English, spanish
One night, two girls
English, spanish

[Lucenzo]
Balançar que é uma loucura
Morena vem o meu lado
Ninguém vai ficar parado
Oi, oi, oi, oi, oi, oi...

Throw it up in the air
Shake it like you don't care
Sexy, turn it around
Baby, do the kuduro

Throw it up in the air
Shake it like you don't care
Sexy, turn it around
Baby, do the kuduro
