Wanna squeeze you like a boa constrictor
Wanna please you like a Spaniard named Victor
Wanna tease you like a mean grade sixer
Common x2
Oh if there's one more tear I have to cry
Common x2
I'm gonna lay right down and die x2
Common x2
Well if there's one more tear I have to cry
Common x2
I'm gonna lay right down and die x2
Calling to you across the desert sand
Yes it's true I wanna be your man
Not much to do no more I can stand
Common x2
Oh if there's one more tear I have to cry
Common x2
I'm gonna lay right down and die
