Bo-Easy, Bo-Easy, where have you been so long

Bo-Easy, Bo-Easy, where have you been so long

Ain't a man been in my backyard, way back since you
been gone

Bo-Easy, Bo-Easy, don't you hear me calling your
name?

Bo-Easy, Bo-Easy, don't you hear me calling your
name?

I ain't calling you for your name, I'm calling you for that
same old thing

Bo-Easy, oh Bo-Easy, Lord

Bo-Easy, baby, I'm layin' down 'cross my bed

And you got me with these blues and I'm talking all
round my head

Ooh Bo-Easy, baby won't you take your time

Ooh Bo-Easy, Bo-Easy, won't you take your time

You got all night to come running, better with that
change of mind
