I've known you for so long  
you are a friend of mine  
But is this all we'd ever be  
I've loved you ever since  
You are a friend of mine  
And babe is this all we ever could be  
\*You tell me things I'll never know  
I'll show you love you've never shown  
and then again where you go  
I'm always at your side  
You tell me 'bout the love you've had  
I listen very eagerly  
But deep inside you'll never see  
This feeling of emptiness  
that makes me feel sad  
But then again I'm glad  
I've know you all my life  
You are a friend of mine  
I know this is how it's gonna be  
I've loved you then and I love you still  
You're a friend of mine

Now I know friends

are all we ever could be

(Repeat \* except last line)

But then again, then again

then again I'm glad
