[Atherton] No don't hold on Let's do this, ATM Mother was right, dollars burn holes up in my wallet Burnt residue left from revenue in loose pockets Foolish products acquired, spending habits so ridiculous Promiscuous, financial affairs with the frivolous Sickness it's demonic when the debit card's clutched Pin pad purchase of the parallel rush Talk about lust, crushed, lump sums are runnin me Walk with a crutch that was made from a money tree Crumblin sheets received after withdrawal Receipts I don't seek, can't bear to look at it all I took to the call, the sweet voice of credit unions University fresh meat, a first year student So useless, no prudence, I gladly agreed Love don't cost a thing but happiness doesn't happen for free Temporary satisfaction got me trapped on the losing end Me and debt together bouncin checks in perfect unison [Chorus] Yeah, this is crushing funds the fun way To me ATM's just Another Tough Monday What'chu want, crushing funds the fun way To me ATM's just Another Tough Monday [Atherton] Father knows best, yet I'm no longer in the home nest And though he holds checks, I haven't grown into the process Money's where my mouth rests, fast food and cigarettes Got cash due in increments I'm past dudes my little sense/cents are rented, friends aid and financial favors But still can find a minute to pinch pennies out of strangers Generosity costs me, I accept your thanks holmes Close relations hold no weight, when you're lookin for bankrolls Tanks low, it's apparent that my parents are embarassed of their heir, or prepared to share shares with their kid Don't dare, 'til I tell her, when I'm takin it on Cause I can't help myself like James saving Bond I'm way beyond in deep, overdraft like Buchowski Or retire at 25 in subsidized government housing Slouching into cushion cracks to catch coins in my chest or pube But dude there's nothing here steer clear find yourself a better dude [Chorus] w/ minor ad libs 2X {*scratched*} "Got to do with lots of money and it ain't nuttin nice" Get your funds up and fall into the system "Dollars is the mission" "Got to do with lots of money and it ain't nuttin nice" Yeah get your funds UP, and fall
