Get down with the party
(Wanna hang)
I'm the Big Kahuna I got the whole shebang
I got the champagne and the ha, ha
(Ah)
You know who we are

Get down with the party
(Wanna hang)
I'm the Big Kahuna I got the whole shebang
I got the champagne and the ha, ha
(Ah)
You know who we are

I'm the Big Kahuna maneuvers I make 'em
Tight security everywhere I go I take 'em
Party over here me and my peeps
(Rah, rah)
Hittin' the streets groovin' to roughneck beats

I keeps the flow I'm the dawn breaker
I'm reachin' all night, as hot as daylight in Jamaica
A ruckus you want it? Get with the Show stopper
I'll dig ya like the mud number one chief rocker

But knock a blast for your ass like boom
Damn, Salt-N-Pepa stepped in the room
With the La-Di-Da-Di, we like to party
We don't cause trouble, we don't bother nobody

Get down with the party
(Wanna hang)
I'm the Big Kahuna I got the whole shebang
I got the champagne and the ha, ha
(Ah)
You know who we are

Yeah, back up little one 'cuz you know
(Woo, ha)
When it come to scandalous I'm numero uno
Shakin', the record breakin', the title taken
Hot, cool and vicious, delicious, Jamaican

Big Willie, illy-silly rabbit
You need the ha, ha, you gotta have it, a habit
I'll be the good time dealer
The happy go lucky lucker, keepin' it real

Got the whole shebang, champagne is bubbly
Moneymakers lookin' and I like 'em black and ugly
Trust me, we be the life of the jam
Front like you don't know, you know who we am

Get down with the party
(Wanna hang)
I'm the Big Kahuna I got the whole shebang
I got the champagne and the ha, ha
(Ah)
You know who we are

Ladies? Where you at? Where you at?
Put 'em up, reach, put 'em up reach
And where's all my fellas at? Where you at? Where you
at?
Put 'em up, reach, put 'em up reach

Now where's all the money at? Where you at? Where
you at?
Put 'em up, reach, put 'em up reach
(Yeah)
North, south, to the east, to the west where you at?
Put 'em up, reach, put 'em up reach

What's up? What's up? What's up?
(Hey)
I'm rollin' in the big bucks
Some people say I'm "Lucky" but I don't give a
No stress, blessed, I gets down for mine
You wanna be a Pepa, too?

Well, it's party time
No line, V.I.P., I'm the one you wanna see
I see you, fool, what ya wanna do?
The Cartier got you fiendin', stop scheming
Before the red dots starting beaming

Go, Don Peri one flow, got my playgirls, yo
Big Willie's like ho, ready to party
Shake it with the hearty
Your body look damn good, never did it with a hood

Get down with the party
(Wanna hang)

I'm the Big Kahuna I got the whole shebang
I got the champagne and the ha, ha
(Ah)
You know who we are

So, so you got the drinks?, Imported?
I'm with that, yeah
I'm from Brooklyn
From Ill town
