(Play Talking)

Yo! We got a lil problem here
yeah we, you and me
You gotta let me know something
I dunno
you say you like me
so Whats up? Know what I'm saying?

You say it loud and I heard you.
Never tried to hurt you
Some say I'm old fashioned
I like to take my time
do it slow
you know with the flow
dont try and rush it
Fight it like a force and let nature take its course
get to know each other
be my friend not just my lover
Love my mind not just my body baby

Chorus

Do you really want me baby?
Let me know.
Cuz if you really like me I suggest you tell me so
Aint got no times for silly games, that ain't even my
game
Cuz I may be the kinda guy you like

Please understand the way I feel
I must have trust or theres no deal
my emotions aint to be played with or given free
I appreciate greatly the way you tolerated me
Sometimes I do act flakey wouldn't blame you if you
hate me
you put up with my butt when I wouldn't give it up
yeah i know that really sucks but if you wait a while
I'll Make it up

Chorus

(Play)

I know what you're saying it's cool but Yo!

I gotta know whats up know what I'm saying?
cuz sometimes when we're alone kissing and huggin
and things
I feel like Yo is this it? Is it really gonna happen?? YES!!
And it POW!
BANG! BOOM!! NOTHINGGGG!!
Why you teasing me?

Who me a tease? Brother PLEASE!!
You're just having bad memories!
About some skeeze who did the squeeze and had you
on your hands and knees
Look I am telling you straight out
thats not what I'm all about
I'd just be playing myself out if I spent the night at your
house
Now don't get me wrong
I didn't mean to turn you on
we haven't known eachother long but this is MY LIFE,
not just a song

Chorus untill end
