Punch it, Hurb  
Yo, I don't think we should talk about this  
Come on, why not?  
People might misunderstand  
What we're tryin' to say, you know?  
No, but that's a part of life  
Come on

Let's talk about sex, baby  
Let's talk about you and me  
Let's talk about all the good things  
And the bad things that may be

Let's talk about sex  
Let's talk about sex  
Let's talk about sex  
Let's talk about sex

Let's talk about sex for now  
To the people at home or in the crowd  
It keeps coming up anyhow  
Don't decoy, avoid or make void the topic  
~Cuz that ain't gonna stop it  
Now we talk about sex on the radio and video shows  
Many will know anything goes

Let's tell it how it is and how it could be  
How it was and of course how it should be  
Those who think it's dirty have a c  
Pick up the needle, press pause or turn the radio off  
Will that stop us, Pep? I doubt it  
Alright then, come on, Spin

Let's talk about sex, baby  
Let's talk about you and me  
Let's talk about all the good things  
And the bad things that may be

Let's talk about sex  
Let's talk about sex  
Let's talk about sex  
Let's talk about sex

Hot to trot, make any man's eyes pop  
She use what she got to get whatever she don't got  
Fellas drool like fools but then again they're only  
human  
The chick was a hit because her body was boomin'  
Gold, pearls, rubies, crazy diamonds  
Nothin' she ever wore was ever common

Her dates heads of state, men of taste  
Lawyers, doctors, no one was too great for her to get  
with  
Or even mess with the Prez, she says was next on her  
list  
And believe me, you, it's as good as true  
There ain't a man alive that she couldn't get next to

She had it all in the bag so she should have been glad  
But she was mad and sad and feelin' bad  
Thinkin' about the things that she never had  
No love, just sex, followed next with a check and a note  
That last night was dope

Let's talk about sex, baby  
(Sing it)  
Let's talk about you and me  
(Sing it, sing it)  
Let's talk about all the good things  
And the bad things that may be

Let's talk about sex  
(Come on)  
Let's talk about sex  
(Do it)  
Let's talk about sex  
(uh-huh)  
Let's talk about sex

Ladies, all the ladies, louder now, help me out  
Come on, all the ladies, let's talk about sex, alright  
Come on, all the ladies, let's talk about sex, alright

Yo, Pep, I don't think they're gonna play this on the  
radio  
And why not? Everybody has sex  
I mean, everybody should be makin' love  
Come on, how many guys you know make love?

Let's talk about sex, baby  
Let's talk about you and me  
Let's talk about all the good things

And the bad things that may be

Let's talk about sex

Let's talk about sex

Let's talk about sex

Let's talk about sex
